

# DIY TREE CANDLES MATERIALS LIST

- 1/2" rigid plastic pipe, 5' length x 2
- Hot glue gun and glue
- String of C6 clear LED lights (I used a total of 400 lights on a 7' tree)
- White, cream, orange, dark orange latex paint (just the cheap craft paint from the dollar store)
- Paintbrush
- Clear silicone
- Metal can
- Floral wire
- Alligator clips
